- Coaches shall assume the responsibility to make certain each player is provided with and is properly wearing a mouth protector.
- In the event a player is participating without a mouth protector the game official shall remove the player from the match and cannot return until the next dead ball whistle. There will be **no** substitution for the removed player.
- If a player is found to (1) have cut down the mouth protector (2) hides the mouth protector in a part of the uniform (i.e. socks) or (3) discards the mouth protector on the field of play - **A YELLOW CARD WILL BE ADMINISTERED ONLY TO THE PLAYER.**

NO CHANGE FROM LAST SEASON

NHIAA REGULAR SEASON OVERTIME PROCEDURES

- When the score is tied at the end of regulation time, the referee will instruct both teams to return to their respective team benches. There will be a five (5) minute intermission during which both teams may confer with their coaches and the head referee will instruct both teams as to how the overtime periods will be conducted. A coin toss shall be held in accordance with Rule 5-2-2-d-3 of the National Federation Rules Book. The teams will play one ten (10) minute sudden-victory overtime period. If the score is still tied, the teams will change ends without leaving the field of play (Substitutions are allowed). A second ten (10) minute sudden-victory period will be played. The match will be considered a draw if the score is still tied after these two (2) periods. (CM 1.2016)
- **NOTE: The interval between the first overtime period and a second overtime period shall be two minutes.** (Added by NHSOA Coordinator of Officials per NFHS Rule 7.3.2)

NHIAA Policy & Procedures

Interstate Contests

NO CHANGE FROM LAST SEASON

- Officials should have a pregame meeting with coaches of both teams to inform them of the mouth guard standards, educating coaches that mouth guards that are cut too small will not provide much protection.
- IN ALL INTERSTATE CONTESTS, each participating school shall follow the contest rules of the state association of the host school hosting the event. The rules referred to are contest rules only and not rules applying to age, number of semesters of attendance, residency or academic accomplishments. **No school may violate its own state association rules.**

- Game officials must report all yellow and red card infractions to the NHIAA Office via the Arbiter following their games.
- **Athletic Directors are required to report all yellow and red cards via the soccer card report on the NHIAA website. Yellow card accumulation rules apply at all levels for soccer.**
